UNITED STATES GOVERNMENT AIDS FOR SCHOOLS

Washington has a rich horde of valuable school aids that await discovery by the teacher, the supervisor, the school administrator, the research worker, the parent, and even the child.

For example, any school can obtain a facsimile of the Declaration of Independence, 26 by 34 inches, from the Superintendent of Documents for 15 cents.

Illustrated books and bulletins, motion pictures, findings of national surveys, geography material, history material, vocational education material, fact studies of national educational problems—all can be obtained at small cost.

A directory to this rich horde of education aids is *SCHOOL LIFE*, official bulletin of the Office of Education. *SCHOOL LIFE* reports monthly, except July and August, in illustrated readable form, the educational resources and activities of all departments of the United States Government.

To secure *SCHOOL LIFE'S* service send your request and 50 cents to the Superintendent of Documents, Washington, D. C.

For a free specimen copy of *SCHOOL LIFE* address the Editorial Division, Office of Education, United States Department of the Interior, Washington, D. C.

ERRATUM: BULLETIN, 1931, NO. 1, EDUCATIONAL DIRECTORY

The cross references in section 8, Part III of the Directory, pages 123 to 150, refer to pages 116 to 123 instead of to pages 2 to 9. Part III of the Directory is also issued separately and the cross references to pages 2 to 9 are correctly given in that publication.

PART III

COLLEGES AND UNIVERSITIES *

(Including all institutions of higher education)

Arrangement of the 1933 directory is by *States*. Each institution, comprising in some instances one or a group of professional schools, is listed **ONLY ONCE**, under the State in which it is located.

Under each State, institutions are classified as follows:

1. Universities and colleges.
2. Independent professional and technological schools (not connected with a university).
3. Teachers colleges.
4. Normal schools.
5. Negro institutions.
6. Junior colleges.

The **PRESIDENT'S** name is listed after that of the institution. Names of **DEANS** or **DIRECTORS** of professional schools maintained by universities are also listed.

The abbreviations in the parentheses following the name of an institution indicate three facts:

1. The association, if any, by which the institution is accredited.
2. The control, support, or affiliation of an institution—State, city, county, denomination, etc.
3. Whether the **UNDERGRADUATE WORK** is coeducational, exclusively for men, or exclusively for women.

The symbol preceding the name of a professional school indicates that the school is accredited by its professional association. The asterisk (*) means that the institution is fully accredited; the dagger (†) that it is accredited as Class B; the double dagger (‡) that it is provisionally accredited.

COLLEGES AND UNIVERSITIES *

(Including all institutions of higher education)

Arrangement of the 1934 directory is by *States*. Each institution, comprising in some instances one or a group of professional schools, is listed **ONLY ONCE**, under the State in which it is located.

Under each State, institutions are classified as follows:

1. Universities and colleges.
2. Independent professional and technological schools (not connected with a university).
3. Teachers colleges.
4. Normal schools.
5. Negro institutions.
6. Junior colleges.

The **PRESIDENT'S** name is listed after that of the institution. Names of **DEANS** OR **DIRECTORS** of professional schools maintained by universities are also listed.

The abbreviations in the parentheses following the name of an institution indicate three facts:

1. The association, if any, by which the institution is accredited.
2. The control, support, or affiliation of an institution—State, city, county, denominational, etc.
3. Whether the **UNDERGRADUATE** WORK is coeducational, exclusively for men, or exclusively for women.

The symbol preceding the name of a professional school indicates that the school is accredited by its professional association. The asterisk (*) means that the institution is fully accredited; the dagger (†) that it is accredited as class B; the double dagger (‡) that it is provisionally accredited.
